## BAK AUTOMATIC WELDERS

### LarOn 21 Overlap Welder #6600402

#### Features:

- Completely brushless technology
- Maximum welding speed is 68 fpm\*
- Welds all types of membranes up to 90 mil including fleece back
- Integrated GPS tracker\*
- Telescoping / Folding T-handle\*
- Incoming Voltage test mode\*
- Lockable airflow potentiometer\*
- Easy maintenance and standard components
- Reliable chain driven design
- Most durable and reliable circuitry
- Lifetime milled aluminum frame
- Mod bit kit available
- Industry exclusive 3 year limited warranty

\* New Features

### LarOn 21 Kit #6600402BK

#### Features:

- Brushless LarOn 21 230V
- Metal toolbox
- 100 FT line cord with 1 - L630P 3 prong plug & 1 L630R 3 prong connector installed & 1 loose L630P 3 prong plug for machine
- Additional weight to allow for high speed welding

### LarOn 21 Deluxe Kit #6600402DK

#### Features:

- Brushless LarOn 21 230V
- Metal toolbox
- 100 FT line cord with 1 - L630P 3 prong plug & 1 L630R 3 prong connector installed & 1 loose L630P 3 prong plug for machine
- 12,000W Winco generator with wheel kit
- Generator comes complete with a Honda GX630 22 HP engine
- Electric Start
- Battery not included
- Complete with lift hook

*Pair your LarOn 21 Deluxe Kit to the Honda EB10000*

#### Features:

- 10,000 rated watts
- GX 630 Honda Engine
- Wheel kit
- Transport handles
- Electric start
- Lift hooks

## BAK AUTOMATIC AND DETAIL WELDERS

### RoofOn Multi LT #5232504

#### Features:

- Overlap welding
- Lightweight and portable
- 40mm weld width
- Automated drive
- Welds up to 60 mil thickness @ 6-8 fpm\*
- Multi position rollers
- Steeplless adjustment of air flow
- Great for parapets, gutter edge & drip edge
- Industry exclusive 3 year limited warranty
- Available in digital control and read out

### RoofOn #6600132C

#### Features:

- Overlap welding
- Lightweight and portable
- 40mm weld width
- Automated drive
- Welds up to 60 mil thickness at 5-7 fpm\*
- Great for parapets, flashing and seam overlap
- Includes middle wheel and extra weight
- Also available in 120V analog and digital
- Industry exclusive 3 year limited warranty

### RoofOn R Edge #5230352

#### Features:

- Detail welder
- Lightweight and portable
- 40mm weld width
- Automated drive
- Welds up to 60 mil thickness @ 6-8 fpm\*
- Welds within 1" of wall base
- More productive in border areas, skylights, pipe boots, welds 360° & more
- Also available in 120V analog and digital
- Industry exclusive 3 year limited warranty

*\*Only as a reference. It depends on the ambient temperature, material's manufacturer and thickness, machine temperature, etc.*

### RoofOn Kits

RoofOn Deluxe Kit  
#DPR75EH

- RoofOn 230V 40mm
  - Metal box
  - Extra weight
  - Middle wheel
- 100ft GFCI line cord w/ plugs and receptacles
- 7500W generator w/ wheel kit and battery

Also available with 12KW generator  
#6600132DK

Totally Portable RoofOn Honda Kit  
#5230051TPK

- RoofOn 120V 40mm
  - Metal Box
  - L530 plug
  - Extra weight
  - Middle wheel
- 100ft 120V GFCI line cord w/ two plugs
- Honda EU2200 & EU2200 Companion w/ parallel cable

Pair your RoofOn Deluxe Kit to  
the Honda EB6500

#### Features:

- Honda IGX390 Engine
  - 120/240 volt
  - Recoil start

### RoofOn Edge Kits

RoofOn Edge Deluxe Kit  
#DPER75EH

- RoofOn Edge 230V 40mm
  - Metal box
  - Extra weight
- 100ft GFCI line cord w/ plugs and receptacles
- 7500W generator w/ wheel kit and battery

Also available with 12KW generator  
#5230352DK

Totally Portable RoofOn Edge Honda Kit  
#5230351TPK

- RoofOn Edge 120V 40mm
  - Metal Box
  - L530 plug
  - Extra weight
- 100ft 120V GFCI line cord w/ two plugs
- Honda EU2200 & EU2200 Companion w/ parallel cable

#6600160  
• RiOn 120V  
• Metal box

**RiOn with Metal Box & Nozzle**  
#5100726NB  
• RiOn 120V  
• Metal box  
• 40mm Nozzle

**RiOn Basic Kit**  
#6600160BK  
• RiOn 120V  
• 40mm Nozzle  
• Metal box  
• 1 3/4" Silicone roller

**RiOn Deluxe Kit**  
#6600160DK  
• RiOn 120V  
• Metal box  
• 20mm Nozzle  
• 40mm Nozzle  
• Nozzle cleaning brush  
• 1 3/4" Silicone roller  
• Heating element  
• Carbon brushes  
• Air filter

**RiOn Premium Tool Kit**  
#6600160P  
• RiOn 120V  
• Metal box  
• 20mm Nozzle  
• 1 3/4" Cushion grip silicone roller  
• Sheath for shear and roller  
• Folding knife and seam tester  
• 10" Shears  
• Nozzle cleaning brush  
• 40mm Nozzle

**Totally Portable Micon E Kit**  
#6600378TPK (Digital)  
#6600377TPK (Analog)  
• MicOn E 120V (Digital/Analog)  
• MicOn E Guide Handle  
• Honda EB2200 generator

**Portable Repair Kit**  
#PRK2000EB  
• RiOn 120V  
• Metal box  
• 40mm Nozzle  
• Honda generator EB2200  
• 1 3/4" Silicone roller  
• Seam tester

**RiOn Tune-Up Kit**  
#5100726M  
• Heating element  
• Mica tube  
• Air filter  
• 10' 14 Gauge 120V power cord  
• Complete instruction manual  
• Carbon brushes  
• Brush springs

### MicOn E #6600378 (Digital), #6600377 (Analog)

#### Features:

- Semi-Automatic welder
- Welds up to 6 feet per minute
- Welds both horizontal and vertical surfaces
- Removalbe MicOn Guide Handle
- Available in 120V or 230V
- Available in Digital or Analog
- Weighs only 15 lbs.
